Message from Antoine:

“Hello! My name is Antoine and I’m 17 years old. I live in a city next to the mountains. My brother is 9 years old and my sister is 20. My father is a lawyer and my mother is a jurist. My hobbies are the sport and the photography. I have played during 7 years handball but I have stopped for 3 months because I wanted to do something else. Now I ride a bike with my friends and I run a lot. I like photography; I like to go with my friends to take photos. I don’t use a lot on my phone, I like enjoying life. My school is near the mountains. I like the environment. In winter there is a lot of snow, that’s great. I have never been in the United States, but I like to follow the NBA and the NHL. Moreover, I know there are very nice landscapes in the United States. It’s very different than in France. I have a good character. I like laughing and take part to the family life. It’s very nice to host me. I am very happy! Antoine.”

Borderless Friends Forever promotes world peace through cultivating opportunities for cultural and educational exchanges. These exchanges allow people to learn more about each other’s core values. We bring the international traveler and the host family together to create meaningful relationships through which we celebrate our differences and similarities.
