Message from Martin:

“Dear host family. My name is Martin and I will soon be 17 years old. I live in a small city next to Tour. I am very symphatique, generous and open-minded. I love laughing, having fun, hang out with friends, but I know how to be serious when I have to. I love spending time with my friends and my family, listening to music and going to the cinema. Horseback riding is my favorite sport. I want to go abroad for a month because I love traveling, and I've always been fascinated by the United States... I think I can bring my family home my French culture, my “joie de vivre” and I do not think I will be a difficult person to live with. I am ready to participate in the family life and be admitted as a full member. As I have two sisters, I am used to having a lot of commotion around me. I would discover the American population and improve my English. And I'm so excited to share this month with a new family!”
