Message from Ninon:

“I’m so happy to go to the USA this summer! I think it will be a great experience and good idea to improve in English with pleasure. I went to England last year in a host family and I really enjoyed those two weeks. I have a little sister, and a cat who is so cute and funny. I take dancing lessons once a week. Actually I dance hip-hop. I enjoy dancing, listening to music, drawing, cooking. And shopping, and I live in Paris which is a great city for that. I love that I’m a girl scout too. I see many friends there and I have a lot of fun when I go to the scout for a week-end or during the summer. With my family we traveled a lot to Germany and Switzerland, and also Italy. Last summer, we went to Vietnam and Cambodia, It was such great travel! I would like to thank you of having me to stay with you. I’m so excited to meet you!”

Borderless Friends Forever promotes world peace through cultivating opportunities for cultural and educational exchanges. These exchanges allow people to learn more about each other’s core values. We bring the international traveler and the host family together to create meaningful relationships through which we celebrate our differences and similarities.
