Message from Laetitia:

“Hello, my name is Laetitia and I am 13. First of all, thank you so much for hosting me during three weeks. I was born in Paris but now live in a nearby city. I have one little sister, and she is very smily. I am fond of Aikido. It’s a martial art which is sometimes called “Art of Peace.” I practice Aikido for almost ten hours each week. I also play classic guitar since eight years, and I take lessons of English for one hour and a half per week. When I will be an adult, I think that I want to do law so I can be a police officer. I love traveling and discovering a lot of new places. I’m crazy about animals. I have one cat and did four years of horse riding. My favorite American movie is Troy and I love “Lemony Snicket’s A Series of Unfortunate Events.” I’m so excited to meet you soon!”

**Borderless Friends Forever promotes world peace through cultivating opportunities for cultural and educational exchanges. These exchanges allow people to learn more about each other’s core values. We bring the international traveler and the host family together to create meaningful relationships through which we celebrate our differences and similarities.**
