Message from Alice:

“Dear host family. I am writing to you to introduce myself. My name is Alice, I am 20 years old, and I live in Tours. I am studying law. My parents are both teachers and I have a brother who is 23. I also have a cat called Duchesse, named after the cartoon “The Aristocats”. I am very talkative and open-minded, I enjoy discovering new cultures and traditions. I am also sportive; I used to do gymnastics three times a week when I was younger. Otherwise, I’ve been playing violin for 9 years. I am quite interested in culture (movies, plays, museums, or simply sightseeing, reading, etc). I am very excited to know you, and I will do my best to make this experience as much rewarding as possible.”

Borderless Friends Forever promotes world peace through cultivating opportunities for cultural and educational exchanges. These exchanges allow people to learn more about each other’s core values. We bring the international traveler and the host family together to create meaningful relationships through which we celebrate our differences and similarities.
