#### Message from Gabriel:

“I’m Gabriel., the student you will have this summer. I’m going to introduce me. I live in a city near Paris. As you may I’m 16 [in June]. I’m curious, I like to discover new things, new cultures that’s why I want to take part in your family life. I’m really excited with the idea of this trip, I’m really lucky to do this trip and met you! Like most of boys of my age I really enjoy basket, and any sports. At the week-end I often met my friends, play basket, soccer. I enjoy listening to music, sometime I go to some electronic and rap concert. I also like sneakers and fashion. In the future I would like to be a doctor. I like all type of food especially spice food. I get on well with all types of animal (I’ve got 2 cats). I live in a house with a small garden. Looking forward to seeing you, Gabriel from France.”

**Borderless Friends Forever promotes world peace through cultivating opportunities for cultural and educational exchanges. These exchanges allow people to learn more about each other’s core values. We bring the international traveler and the host family together to create meaningful relationships through which we celebrate our differences and similarities.**
