Message from Lynn:

“My name is Lynn. I’m 16 and I live in Tours. I’m a 10th grade student. I get along well with my family, and I love doing several activities such as shopping, going to the restaurant, traveling, relaxing at home, etc. I was born in Lebanon where I lived for 7 years. I also have a 6 months old dog, a german shepherd, who’s called Marky. My leisure time includes ballet, which I’ve been practicing for 11 years, but I also love drawing, acting and swimming. I would define myself as simple, I adapt easily to new situations. I love English, and thanks to this trip, I want to be more confident when I speak. Secondly, I love discovering new places and cultures. I have always wanted to visit your country and to live an experience where I would not just be a tourist. Thank you for your time, and I am looking forward to hearing from you!”

Borderless Friends Forever promotes world peace through cultivating opportunities for cultural and educational exchanges. These exchanges allow people to learn more about each other’s core values. We bring the international traveler and the host family together to create meaningful relationships through which we celebrate our differences and similarities.
