Student Letter

Hello, I'm Celia and I'm from Spain. I have always wanted to travel to the United States, and I have wanted to spend a school year there for a long time. I want to go there because I want to learn about other cultures and other ways of life, I want to experience new things, new foods, new activities, new sports (like cheerleading), see new places, meet new people and do things that I don't do in Spain. I want to tell about my traditions and my culture to my host family and my new friends. I hope that spending 10 months in the United States will help me improve my English a lot and I hope to be almost bilingual when I come back to Spain.

I would like to have great moments with my American family and friends, and make memories. I would like to take pictures of almost everything and to film some moments to remember and show them to my family when I come back to Spain. In my free time, I usually read, listen to music, paint or do arts and crafts, spend time with my family or go out with my friends. Sometimes, I cook and bake cakes, cupcakes, cookies and other things. I used to take piano and dance lessons, but I stopped going because of the pandemic. I really like dancing and I hope to go back to my dance lessons again. I hope to learn a lot about the American culture, traditions, celebrations and your way of life.
