Student Letter

My name is Darío, I am 15 years old and I live in Spain. I love to play hockey, it is my favorite sport, I play for the team in my city, I have been playing hockey for 4 years or so, the hockey I practice is not ice hockey, because there is hardly any ice hockey in Spain, it is I play inline hockey is played with 4-in-a-row roller skates. In the year that I go to the United States, I would like to practice ice hockey. Also another thing that I like to do a lot is physical exercise, I usually go to exercise at a gym that we have where I play hockey, in my free time it is what I usually do. Also other hobbies I have is playing video games, on my mobile I play the Clash Royale, and I also like to play the PS4, the Fortnite, I also usually watch live streamers playing video games on Twitch. In addition to playing video games, I also like to watch action series and movies, for example now I'm watching the arrow series on Netflix.

I want to go to the United States for a year because I think it will be a unique experience, go to a new school in a different country, make new friends, try new things etc. Also because I am very excited to play ice hockey. I also like listening to music. The freestyler that I like the most is Lit Killah, who is also a very famous singer, also another freestyler that I like a lot is Wos, who He is also a very famous Argentine singer. I can't wait to meet you!
