Student Letter

Hi, I'm Joan Francesc, but you can call me John. My hobby is dancing, I've been dancing for four years and from the first moment, I knew it was my passion. I really like music, I don't have a specific style. I listen to music from very old to new, my favorite singer is Harry Styles. I love animals, in my family we have many, so it is not a problem if you have any pets, on the contrary, I would love it. I also like to watch series, my favorites are: How I Met Your Mother and Orange Is The New Black, and especially The Simpsons, I always watch it with the family.

I am very active, I am always dancing or doing something. At first, I can be quite shy but then I'm pretty outgoing. I love to laugh and have fun, especially with my family and friends. I have always liked adventures and experiences that is why I have decided to take part in this program, besides improving my level of English, I am very excited and eager to learn. I am not very demanding about what kind of family I am chosen, I will accept with open arms any sexuality or religion, profession ... I just hope I can have a good time with them, and feel like a member of the family. I thank you very much for letting me be part of this experience and especially with you, I am very grateful.
