Student Letter

My name is Josef and I am 17 years old. I am from Czech Republic. I have a lot of interests like sports, going out with friends, playing story games, but now I enjoy listening to music the most. I listen to pop, rock, metal, but mainly I listen to rap. My favorite rapper is Wiz Khalifa, but I also enjoy Juicy J, Slipknot, U2 and many other Czech artists. My favorite sport is water slalom, but I also like football, hockey, skiing, snowboarding and golf. I also enjoy cooking. If you want, I can cook you some Czech food. I also quite enjoy fishing. I've been doing it for 9 years, but I'm not good at it. Before I started water slalom, I played football. I've always want to fly anywhere in America and get to know your culture. I'd like to see an NHL hockey game. I would also like to look at the match of American football, even though I don't know the rules at all.

During my stay in America, I want to learn English as best I can. I hope to make friends with your family as much as possible. I am grateful for the opportunity you are giving me. I'm really looking forward to see you and I hope that we will understand each other and that I will not disappoint you. I'm really looking forward to it and I hope you're looking forward to it too. I greet you across the ocean and look forward to seeing you.
