Student Letter

Hello. I am Jeongha. I am very excited to participate an exchange student program and join your family. I like to sit around with my family, have dinner and share many funny stories. I also like watching movies while eating yummy things like potato chips, popcorn, and squid. I am getting a swimming lesson recently. It is quite fun. Before I go to the U.S, I wish I can swim at least 10m with nonstop. And I learn guitar little bit these days. I can play only few songs, because I learn really little bit. Maybe 3 or 5 ccm songs can be played. It sounds boring, because every day play same songs but it is quite fun too. My favorite food is Tteokbokki. And I'd love to cook for you when I get a chance. I want to make good memories in the United States. I am curious about the United States, like how the streets looks like, the supermarkets, school, the U.S smell... I am very excited because I am going to be in the sky for 12 hours. I can't believe I'm flying to the opposite side of the earth. How amazing is that! Lastly, even if i am not good at English, I will try to help as much as I can and try my best. See you soon. Byebye. Thank you.
