Student Letter

Hi, my name is Carlos. I am 14 years old and I'm from Spain. I've got one brother, he's sixteen years old. My mum is a homemaker and my dad is a lawyer and we haven't got any pets.

I have a lot of good friends and they consider me friendly and funny. I'm a sociable guy and love hanging out with people. I go to school five days a week. I practice soccer all year long except for summer, for three days a week. I play competitively, I also play padel tennis with some friends.

In the evenings I do homework and study, shower, have dinner and usually go to bed at 10:30 pm. I'm very keen on soccer, the same as my brother who is a great player. I like playing video games online, my favorite ones are FIFA Soccer and Fortnite. I don't have dislikes, maybe some foods like broccoli.

My parents enjoy sailing and fishing in the winter, walking in the mountains with friends, we live close to the mountains and sea. My older brother helps me a lot and he's a calm easy-going person.

My friends all like the same things as me and when we're not playing soccer, padel, or video games, we like to just hang out and eat somewhere.
