Student Letter

Hi, my name is Marcelo. I am from Mexico and I am 15 years old. I have visited USA, but not as a student. I would like to try new things, meet new people, and to improve my English. I live with my mom, who works at home (she makes candles). My dad, who is an accountant. One sister who is 13 years old and one brother who is 11 years old. I also have a pet, his name is Max and is a small dog. When I am bored, I play videogames, solve puzzles and 3D puzzles (like Rubik cubes). And watch F1 on Weekends. On Mondays and Wednesdays, I play tennis. On weekends, I play tennis with my family, we love to play tennis. I like to cook with my mom, I specially love the Italian food (spaghetti, lasagna, pizza, pasta, etc.). As well I like to ride my bike with my uncle and my cousins, we ride mountain bikes. Is exciting to explore my city, because it has a lot of interesting places to visit. When I am in vacations, I usually visit the beach, because is close from the city. I like to go fishing, play cards games with my grandma, mother, and aunt. My family thinks that I'm very good at studying. My favorite subject is math and I like everything related with that. When I am speaking English, I sometimes get trouble, finding the correct word or meaning, so I maybe need some help with that. I think I will improve my pronunciation and grammar as I practice with you!
