## Student Letter

Hi, I'm Irene and I'm from Italy. I'm very excited and curious about this wonderful experience that I'm about to do. I am a girl who loves sports, music and art.

I attend a musical high school, in fact I play the guitar for about seven years and three years the flute.

Currently I do dance and in the winter time I ski, but I love all kinds of sports: I practiced swimming, artistic gymnastics, horseback riding, speed skating and other sports. As I said before I am interested in art and everything that has to do with it: drawings, theater, fashion, singing and music.

I also attended the scouts for several years and thanks to them I became passionate about nature and animals. I love to take care of myself and my body, in fact I care a lot to eat healthy and go to the gym!

I like to cook, taste new foods, learn about new customs and watch TV series! I love to travel, discover new places and new cultures.

I am a very sociable girl who likes to make friends and meet new people. I am very emotional and empathetic, so I get moved and laugh very easily! Besides being a sunny girl I am also very determined, stubborn and competitive. I always try to give my best in everything I do!
