Student Letter

Hello, and Mabuhay! I am Nurennor, you can call me Nori or Nur. I am 16 years old and a grade 10 student in our school. I am a muslim and my religion is Islam. I am interested in music, literature and art. I am fond of cats, though I am a little scared of them because of their nails that's why I seldom take one as a pet, but I wanted to have one, a big fat cat. I am currently living in a small and busy muslim city with my family in mother side. It is one of the busy city here in Philippines because the people here work hard from morning to night.

I live in a home with my mother and my relatives in her side. I live in this home with my 2 uncles, 2 aunts, 4 cousins, my grandma, and my mom. Me and my family love to go to the beach whenever it is Sunday or there is no class. We watch movies and pray together when it is Hari Raya.

I only belong to a small but jolly and study-oriented circle of friends. We go to the restaurants to eat, take a walk in the park, or visit our other friends' houses and watch a movie there.

I am just a simple and curious girl who is ready to start an adventure. I hope you are excited as me to welcome me as a new member to your family and home. I am excited to create memories with all of you that I know that we can cherish forever in our hearts.
