Student Letter

My name is Davi Aguirre de Oliveira, I am 16 years old and I am from Brazil. I am a very communicative and observer person and I am also very dedicated. I always work hard at school to always try to get the best grades. I love to read and my favorite types of books are fantasy and dystopia.

I have a very busy routine. I have classes every day from 7:20 am to 1:00 pm and also I have a lot of extra activities in the afternoon. On Monday and Wednesday I have English classes at an English school, it's four hours a week in the afternoon. On Tuesday and Friday I go to the gym, I do it with a personal trainer. On Tuesday I do a mandatory sport at school that is handball, another sport that I do but is not at school is tennis, it is my favorite sport, I always do it on Friday.

My family is composed of 4 people. We always do things together, we like to play tennis and beach tennis, my father and I are always playing on the weekends. My mother and I like to read, so we are always discussing the books that we have already read. My brother and I like to do outdoor activities, like ziplining and tree climbing.

I want to go on this travel because it will be a very good experience for me. I would like to make new friends and to know a new culture and also I would like to present Brazilian culture to you. I like to speak English, but think with this experience it will improve a lot.
