## Student Letter

My name is Carla and I'm 16. I consider myself an extrovert (well, almost always), funny, nice, really responsible, polite and a little bit sensitive. I love doing new things and having the opportunity to spend almost a year as an exchange student in the United States is one of them.

Since I was very little, I've done many kinds of dance: hip-hop, jazz, street dance... I still do it and I like it a lot. In my free time I love hanging out with my friends, reading, cooking desserts, or watching TV series. As for the books, I'm a bookworm. My favorite activities are dancing, hanging out with my friends, playing board games- my favorite is Monopoly, spending time with my family and travelling. My best friend lives five minutes away from me, and we're always together. Her family treats me like another daughter, and I feel very comfortable with them.

I live with my dad, my mom, my older brother, my dog and my cat. I love my family, they always try to make my brother and me happy, I'm incredibly thankful to have them as my parents. I'm very close with all my family. My favorite things to eat are meat, soups or vegetable creams, I'm not a big fan of fish to be honest.

I'd be incredibly thankful to be your exchange student and to get to know all of you!  
Lots of love, Carla
