Student Letter

My name is Constance, I'm 15 and from France. I live with my parents near Paris, I've got a cat and 6 canaries. I have two older siblings, a brother and a sister.

I think I'm kind, generous, funny, mature, sensitive, and sometimes I talk a lot. I love going out with friends to go shopping, watching a movie, going swimming or just going for a walk.

I play volley, and I used to fence and swim. I like badminton, basketball, ski, and watersports. I also like cooking (I prefer cooking cakes to challenge myself). I love travelling to discover new cultures, traditions, ways of thinking or local things. I visited some countries, but I've never been to the USA. I've never celebrated Thanksgiving so I would like to be part of this tradition. Sometimes I like drawing and painting alone in my bedroom with music. Also, I'm really into cats and I love dogs.

I love eating! I really hate cheese (I know it sounds weird because I'm French) and I don't eat a lot of meat, but I love vegetables, fruits, baguettes, croissants and all the other types of food. I'd love to test American snacks and food.

My motivations to spend an exchange year in the USA are the language, the culture, to meet new people, and to become a better version of myself.

Thank you for taking time to read my letter! I can't wait to meet you!

Constance
