Student Letter

I am Camille, I am 16 years old, and I am from France. In my family, I have a big brother, He is 18 years old. I have also a little sister, she is 12.. My parent's are 45 years old and they are married for 20 years. I get along very well with all members of my family. They are loving, warm and kindly. I love it very much.I don't have a pet but I would like to have a dog for a long time. I am in High School in 10th grade. I play volleyball in club 2 times a week for 6 years but I also do it at school with the sports association where we finished 3rd in the region this year. Volleyball is my big hobby. In winter, I have been skiing since I was 4 years old. I like to do sport and other activities like treetop course, climbing etc. With my family, we also tried jet ski and that an activity that I love. I love to read since I was a little girl. I also listen to music whenever I can. My paternal grandmother taught me to sew and I mainly sew handbags (like tote bags) for my pleasure. I did also a cuddly toy for my little sister last Christmas. I cook and I will be happy to prepare French specialties (pancakes, madeleines etc.).I have already visited many European countries during my summer vacations such as Spain, Austria, Italy, Croatia, Slovenia, and of course France, our beautiful country.I like to go shopping with my mom and do crafts with my dad. I have never been so far away from my family but I want to discover new people, a new culture and improve my English.
