PROGRAM

Arrival:

August 2023

Age on Arrival:

15

Duration:

Academic Year

Student ID:

AY23FR17-11

Allergies/Special Diet:

No / No

Religion:

Catholic

Student Letter

Hello, my name is Cassidy, I'm 16 years old and I'm from France. What I can say about myself is that I'm quite funny and I like to make people laugh. I'm open-minded, sociable and very competitive! I like all kinds of stuff such as skiing, playing board and video games, and spending quality time with my family, of course! I would love to discover new things with you and I hope to have a wonderful year with all of you.

When I grow up, I want to become a fighter pilot so that I can fly planes at supersonic speed and be able to protect my country. I want to be useful in life, to help my fellow citizens, my friends, and my family.

I like going to school to see my friends and to learn even if I don't like every one of my subjects, like French and geography. But I love science and laboratory, math, chemistry, physics, English and Spanish. But my favorite subject is PE, of course!

I live with both of my parents and my little brother. We have a really hyper beagle named Tally-Ho. She is cool....I love animals! We are an active and exuberant family. We are all very competitive. We get along most of the time even if we don't think the same way. We tend to have strong opinions and debate a lot. We enjoy food. We often eat dinner together in the evening. On the weekends we like to ride bikes, play games, hike, cook, watch movies.
